

It is our hope that EVERYONE at ReCAST will be involved in a community group! These are the groups that are open to new group members this winter session. (Some of our groups have been meeting together for a while and are not in position to accept new members at this time!) If you have any questions about a group that would be a good fit for you and/or your family, or want to sign up for **Most groups start the week of January 21 and will meet through the month of March!**
