

# Summer 2018 Information

That the next generation might 'set their hope in God' Psalm 78:7

## Nursery

Childcare for infants - 23 months old will continue on unchanged all summer!

## Preschool/Y5 Classes

Our 2/3 year olds and 4/5 year olds will continue their curriculum and their regular teachers through July. We continue to encourage you to take your child to the bathroom BEFORE class. In August, our regular teachers will all be getting a break from teaching and teaching a different curriculum with some qualified 'substitute' teachers for those weeks.

## Current K-4th graders (1st-5th grade in the fall)

These classes will continue through their current curriculum through July. These classes will then have the month of August OFF and have the opportunity to sit with their family in the service. There will be activities pages, pencils and crayons available at the welcome table for them to use during the sermon each week. We feel this is a great time for them to experience 'big church' and it also gives our regular teachers some time off. (And we get great comments from other adults in church that they ENJOY seeing the kids church and don't mind the occasion distraction this comes with at all!)

**REGULAR RECAST KIDS CLASSES WILL ALL RESUME AFTER LABOR DAY  
WEEKEND SEPTEMBER 9!**

## Current 5th graders (6th grade in the fall)

These students will be starting ReCAST 180 middle school June 3! The 4/5th grade teachers will be having a goodbye party with these students after church on June 10.

Questions? Contact the office! [office@recastchurch.com](mailto:office@recastchurch.com) 269-668-7050

**Don't forget about VBS June 24-28!!
